

Select Blocks (Continue II)

Example: Form

A screenshot of a Windows-style dialog box titled "Seasons". The dialog box has a blue title bar with standard minimize, maximize, and close buttons. The main content area is light beige and contains a label "Season:" followed by a text input field. Below this is a large, light gray button labeled "Number of Days". At the bottom of the dialog is a wide, empty rectangular box, likely for a message or additional input.

Seasons

Season:

Number of Days

Example: Output

Lab Sheet 5.8

```
Function NumDays(ByVal season As String) _  
                As Integer
```

```
    Select Case season.ToUpper
```

```
        Case "WINTER"
```

```
            Return 87
```

```
        Case "SPRING"
```

```
            Return 92
```

```
        Case "SUMMER", "AUTUMN", "FALL"
```

```
            Return 93
```

```
    End Select
```

```
End Function
```
